

John 10:10 - *'I come that they may have life and have it to the full'*

## Important Information and News:

**The school will be closed on Friday 20th  
March for staff training**

## Farewell to Trish

Next week, we will be saying farewell to the wonderful Trish, who has worked at St Thomas' for the past five years. During her time with us, Trish has made a huge impact on our school community and will be sorely missed by both children and staff.

Trish has shared many of her passions with the children, including her talents for crafting and sewing, as well as her love of gardening. She has been instrumental in making our school garden look so amazing and has helped to promote a love of gardening across the whole school.

This year, Trish has not only worked with our Year 5 children but has also run a Maths Club for Year 6 pupils before school, helping them prepare for their SATs later this year. These are just some of the many reasons she will be missed—but above all, Trish will be remembered for how deeply she cares about the children.

Trish is taking up a new post at Bousfield Primary School, and we wish her every success and happiness in her new role.

## Engineering Week

Next week is **Engineering Week**, where the children will have the opportunity to design and make a product.

As always, we will be inviting parents to join us next Friday so the children can share their designs with you.

The engineering showcases will be taking place at the following times:

**Nursery and Reception:** 8.40 – 9.00am

**Key Stage 1:** 2.30 – 3.00pm

**Key Stage 2:** 3.00 – 3.30pm
