

Dear parent/carer,

We have noticed that children's dinner choices on the menu files are not corresponding with their choices on the day.

In order for us to ensure we make enough food, please inform the office if your child will be having a packed lunch every day.

Can we remind you that children should either be having a school dinner 5 days a week or a packed lunch.

Unfortunately, we are unable to provide lunch on some days of the week and not on others. You can change your child's lunch choices every half term by notifying the office in advance in writing.

The menus can be found on the school's website. Please let the office know by this coming Monday, the 2nd October if your child will be having a packed lunch. If we do not hear from you, we will assume your child is having a school dinner.

Making too many meals means both food and money is wasted, that's why it's so important that we have your support with this matter.

Yours sincerely

St Thomas' CE Primary School.
