20th December 2024

Dear Parents/ Carers,

After school activity clubs

Please find details of the after school activity clubs we are running this term.

We are pleased to announce clubs this term will continue to be free. You will be entitled to one free club per child this term.

Parents can sign up their child for a club using the google form. **One child per form.** The link will be sent as a text message to parents on **Monday 23rd December at 5pm, and will close at 5pm on Sunday 5th January.** Please answer the questions on the form correctly and submit it as soon as possible. **Places are allocated on a first come, first serve basis. If more spaces become available for clubs we will let all parents know at a later date.**

Children who attended coding club last term will not be allocated a place this term. This is to allow other children a chance to attend this very popular club.

Please be advised that once you have filled in the form this is **not confirmation** that your child has received a space in the club. You will be informed the first week back by text message, if your child has secured a place.

Clubs will start, week commencing (Monday 13th January).

Clubs will run for 10 weeks ending the 27th March.

Yours sincerely

Talitha Mansaray
